Divine India

PREMIUM COLLECTION

We may not wear our religion lightly on our sleeves, but it plays a large role in defining who we are as a people. Hindu culture is all about honouring the good that resides within each of us and choosing a path that is right for all humanity. It is in celebration of this that I proudly present 'Divine India' to you, a collection of 15 beautifully engraved divine ingots brought to you by Hallmark in collaboration with celebrated Indian artists. It holds a candle to the divine presence within each one of us. As the world becomes increasingly frenetic, it is to our chosen divinity that we as Indians turn for inspiration and sustenance. I trust that this collection will help bring that much needed balance in your life and help us keep our Gods close now and forever.
